Performance excellence can be demonstrated across a number of platforms: business impact, client partnership, creative expertise, operational effectiveness, talent, and team culture. Reflecting on those six areas, how did your team achieve performance excellence in 2018?

Submit both show-and-tell elements (a 1-2 minute video plus a 200-300 word response) exemplifying why your team should be named 2019 In-House Agency of the Year.

(Limit: 300 words)

### **Team Video** (required)

In support of your written submission, you must provide a brief video (1 – 2 minutes) that punctuates the success of your team. Videos should be specific to the in-house agency—not general videos about your corporation or corporate brand.

Video files will be submitted electronically and may not exceed 2 minutes. Once your written nomination has been submitted, IHAF will be in touch with instructions on how to upload your video file to an electronic drop-box.
